

## May 2022 CFE - Participating Hotels in Ontario

As communicated in the email you received on April 14th, **you may book a hotel room for an overnight stay at your own discretion, but please note that hotels have yet to be assigned to exam writers**. Hotel assignments for writing the exam will be communicated during the last week of April. Requests to change hotels after the assignments have been communicated will **not** be accepted.

Writers are encouraged to be aware of final booking times for discounted rates. **Rooms for overnight stays are not being held for CFE writers and are available on a first-come-first-served basis depending on availability**. Please contact the hotel for all questions regarding the hotel room booking process as CPA Ontario will not be able to answer any related questions.

If the hotel you have been assigned for writing the CFE does not have any overnight rooms available to book, we suggest booking at another hotel nearby. However as the below are all hotels where the CFE is being written they may also have limited capacity for overnight rooms. Additionally, you can check back with the hotel periodically to see if there have been any cancellations.
