

CPA PREPARATORY SCHEDULES

Important Information

Transcript assessment deadlines

To ensure enrolment in a course, a complete transcript assessment form with required documentation must be submitted to CPA Ontario by the specified deadlines. We cannot guarantee that academic transcript assessments and student registrations received after the deadline or that are incomplete will be processed to allow the student to be enrolled. For more information, visit our page on the [transcript assessment](#) process.

If you submit a complete application within the processing timelines, we encourage you to track the status of your application in [My Portal](#).

The transcript assessment deadlines do not apply to CPA Accredited graduates. Please contact your faculty for the deadlines.

Fees & Examinations

For all questions regarding fees, including withdrawals, review our page on [Preparatory Enrolment and Fees](#).

Refer to our [Preparatory Examinations](#) page for information on withdrawals, remarks and rewrites.

Order of courses

- Students must write the examination within 12 months of enrolling in a course.
- Students must ensure they do not enrol in conflicting examinations (on the same day at the same time).
- IFA is a prerequisite for IMA, however these courses may be taken together.
- Please note that the non-core course enrolment period is open enrolment which means students can enrol in a non-core course at any time.
